JUDGMENT

The grievance of the writ petitioner is that she had availed a loan of Rs.75,000/- in the year 1993. Through different remittances, submits the counsel, the writ petitioner had re-paid an amount of Rs.1,40,000/-. As per the demand notice, issued by the second respondent, on behalf of the first respondent-bank, in September 2005 an amount of Rs.1,23,072/-, with 17 percent interest thereon was demanded. The learned counsel submits that if a statement of account is furnished to the writ petitioner, the entire amount, if any, due to the first respondent-bank, could be paid back. It is also further submitted by the counsel that if an one time settlement is allowed, any amount, found due to the first respondent could be settled.

2. In the above facts situation, I direct the writ petitioner to approach the respondents and make a

representation, within ten days from today. The respondents shall supply the statement of accounts, after hearing the writ petitioner, and also give her an opportunity of one time settlement, as per circular No.27/2006 dated 29.6.2006, so that the petitioner could complete the entire transactions with the respondents and close the matter.

3. If a representation is given by the writ petitioner, the respondents shall act upon the same and pass appropriate orders, as per Circular No.27/2006, the Kerala Co-operative Societies Act and Rules thereunder, within ten days from that date.

The writ petition is disposed of as above.
